Knowledge is the golden link of life that

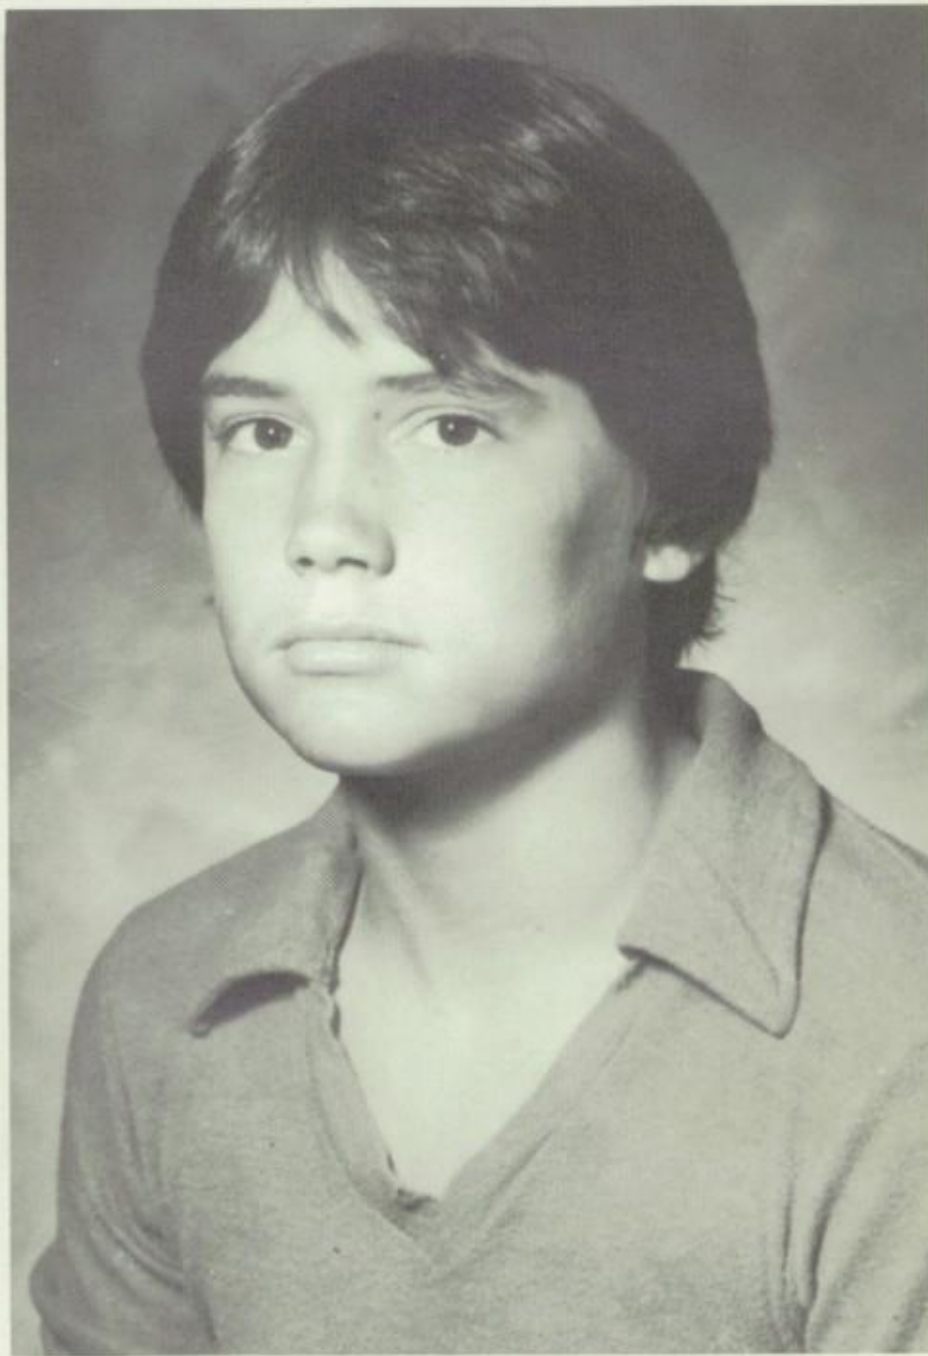

unites the present with the hope of the future.

A Tribute to
C. O. "Buddy"
Heald
and
Tommy Jay
Kingrea

Friends and poetry are the music of life —
Both are precious; both should be cherished.
We can read and recite songs of poetry,
But to love a friend is to create a symphony.

Coach Charlie Brand

If it is true that teachers are patterns for their students, we have had a superior pattern in one of our favorite teacher-coaches. For he is a scholar, a friend, and above all a real gentleman. Our pattern for 21 years, is the popular and helpful Charles Brand.

**Jane
Arden
Hamilton**

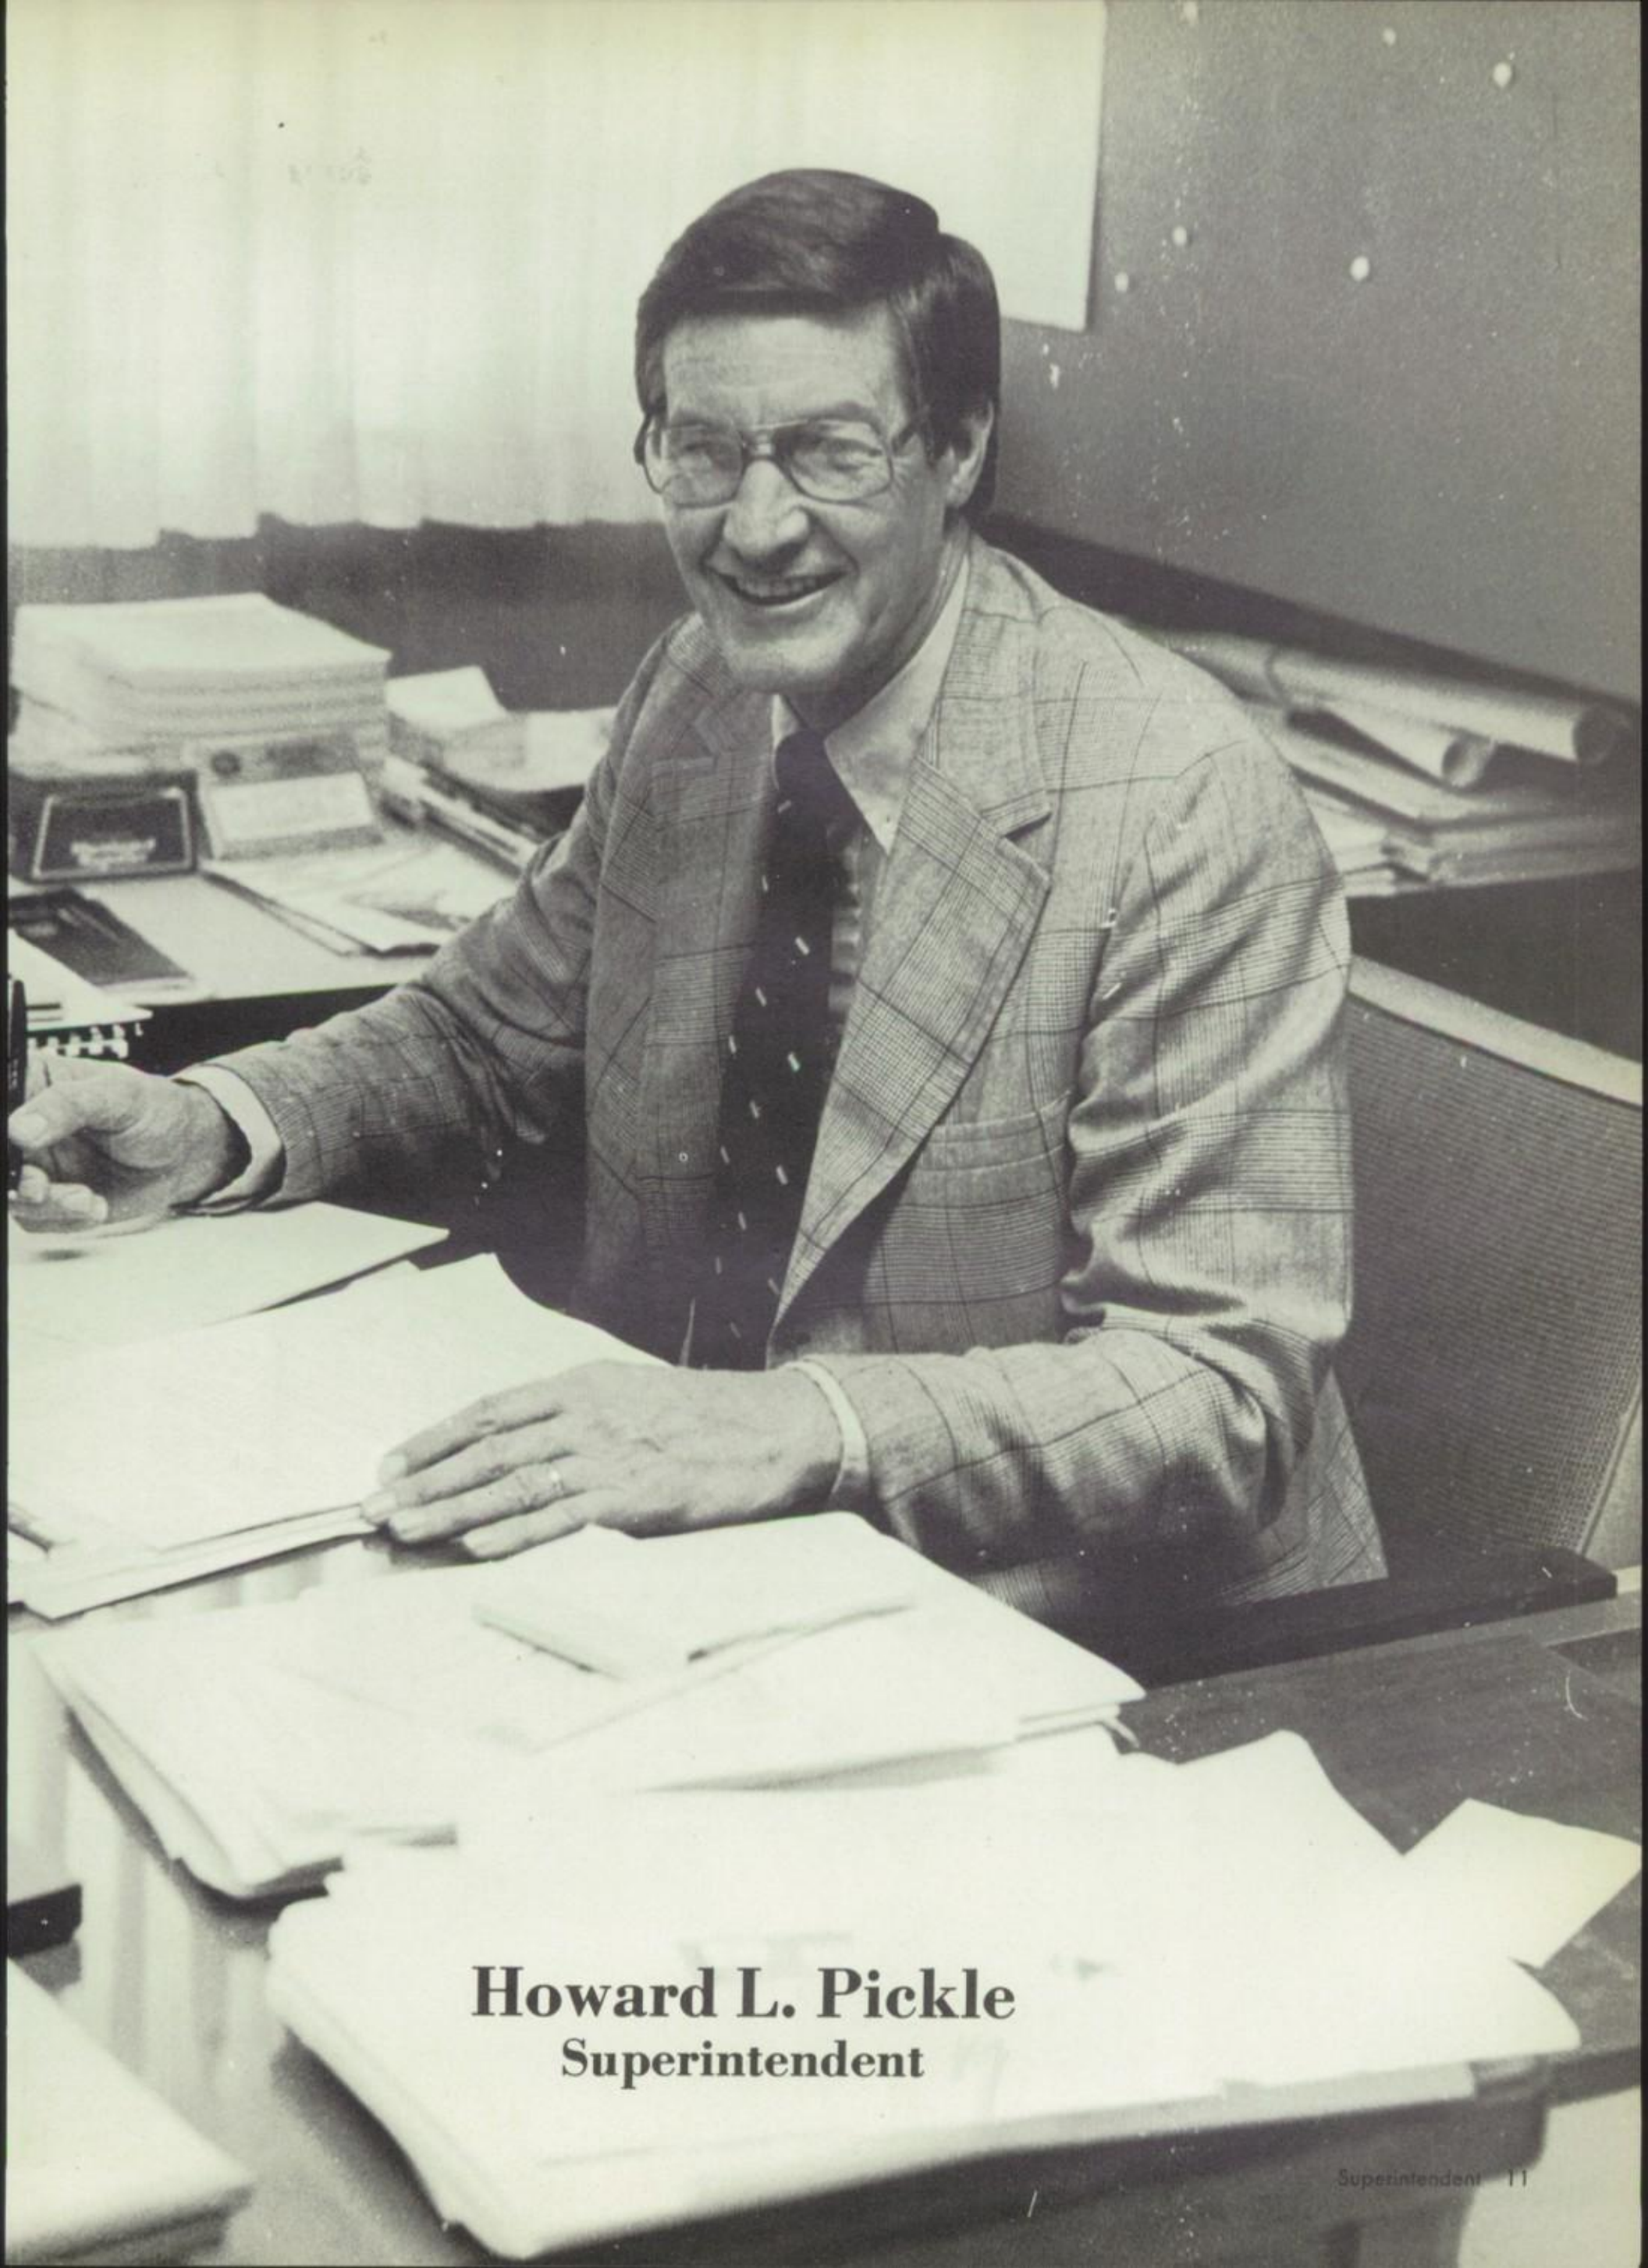

A real shock, but we hope a pleasant surprise, is that we dedicate this Gusher to Jane Arden Hamilton. Her enormous efforts to help the staff put together a great annual each year have really been appreciated. She also ranks among the most creative and concerned teachers at Columbia High School. No matter what she does, she always does a superlative job.
